High-speed Tokyo

Tokyo has a population of 35,000,000 people. It is the largest city in the world. It is also one of the most exciting cities. Everything moves fast here. It has one of the biggest and busiest railway systems in the world. Every day 11,000,000 commuters use it to get to and from work. People who earn the highest salaries and they spent the most money. They were the latest fashions and have the most up-to-date phones it's the world's most expensive city.

Old and new

Tokyo was originally a small fishing village called Edo the name changed in 1868 when the emperor moved there.

The architecture is very modern. There are not many old buildings because of the 1923 earthquake and the Second World war. But traditional Japan is always near, with many Shinto temples and public baths around the city.

Visiting Tokyo

Tokyo is on the East Coast of Japan. The summers are hot and humid the most beautiful time of year is spring, when the famous cherry blossom is on the trees.

The city is huge come up it's one of the safest cities in the world.

Japan is mysterious. It's difficult for foreigners to understand

Mumbai a city of extremes

Mumbai is India's largest city with a population of 22.8 million. It's also India's most important commercial centre. Mumbai was part of the British Empire until independence in 1947. It was called Bombay until 1995, when it was renamed Mumbai after Hindu goddess Mumba Devi

Rich and poor

Mumbai is both old and modern, rich and poor. The streets are full of people doing business, selling snacks and clothes or just living there.

Money is everywhere in modern Mumbai. India's most important businesses and banks have their headquarters there. The Bollywood film industry produces more films than Hollywood in Los Angeles.

Modern skyscrapers and new shopping malls are right next to slums. 60% of the population left with no running water, no electricity and no sanitation.

Visiting Mumbai

Mumbai is on the West coast. The wet season is from June to September. Between November and February it is a little cooler and drier.

The city is best at sunrise and sunset, when the color of stone buildings change jizz from gold to arrange and pink. The cheapest and easiest transported by bus. Trains can be crowded and dangerous.

Because of its poverty, Mumbai can be a difficult place to live but the experience is unique.

Multicultural Mexico City

Multicultural Mexico city's population of 23.4 million. It is the largest city in both North and South America. The Aztecs called it Tenochtitlan and it was already an important city when the Spanish invaded in 1521 the country became independent in 1821.

Indian and European

Mexico City offers a variety of experiences. In the Zocalo; the main square, you can see the Spanish cathedral and expect to see modern skyscrapers. The city has a lot of museums and theaters. European squares and colonial houses sit next to busy markets selling Mexican food and Indian handicrafts.

It is the richest city in Latin America. There are elegant shops selling high class goods, expensive restaurants and super cool bars. There are also many people who live in poor houses.

Visiting Mexico City

Mexico City is in a Valley in the South Central area of the country. It is surrounded by mountains.

The rainy season is from June to October. The warmest months are April and May. It has the largest and cheapest subway system in Latin America. Traffic moves so slowly that it is often faster to walk. The air quality is not so good for some and visitors need to be careful. The city offers a rich cultural mix.

Mega cities

1 look at the list of cities put them in the in order of size and population one is the biggest

Mumbai

Shanghai

New York

Tokyo

Mexico City

Brussels

2. Make notes about your city under these headings

the city and its people

money and business

buildings in history

climate

Transport : listen to these people from the 3 mega cities what do they like about their capital city? What do they say about it ? The people the climate transport and things to do

Beautiful People [Ed Sheeran](#)

We are, we are, we are
L.A. on a Saturday night in the summer
Sundown and they all come out
Lamborghinis and their rented Hummers
The party's on, so they're headin' downtown
(Round here) everybody's lookin' for a come up
And they wanna know what you're about
Me in the middle with the one I love and
We're just trying and figure everything out

We don't fit in well
'Cause we are just ourselves
I could use some help
Gettin' out of this conversation, yeah
You look stunning, dear
So don't ask that question here
This is my only fear, that we become

Beautiful people
Drop top, designer clothes
Front row at fashion shows
"What d'you do?" And, "Who d'you know?"
Inside the world of beautiful people
Champagne and rolled-up notes
Prenups and broken homes
Surrounded, but still alone
Let's leave the party

That's not who we are
(We are, we are, we are)
We are not beautiful

Yeah, that's not who we are
(We are, we are, we are)
We are not beautiful
L.A. mm

*Drove for hours last night and we made it nowhere
(nowhere, nowhere)
I see stars in your eyes when we're halfway there (all night)
I'm not fazed by all them lights and flashin' cameras (uh)
'Cause with my arms around you, there's no need to care*

We don't fit in well
We are just ourselves
I could use some help
Gettin' out of this conversation, yeah
You look stunning, dear
So don't ask that question here
This is my only fear, that we become
Beautiful people
Drop top, designer clothes
Front row at fashion shows
"What d'you do?" And "Who d'you know?"

Inside the world of beautiful people
Champagne and rolled-up notes
Prenups and broken homes
Surrounded, but still alone
Let's leave the party
That's not who we are

(We are, we are, we are)
We are not beautiful, yeah
Yeah, that's not who we are
(We are, we are, we are)
We are not beautiful
We are, we are, we are
We are not beautiful
