

5TQ ARTS – ANGLAIS

Cher étudiant,

J'espère que les dernières semaines se sont bien passées pour toi et tes proches et que tu es parvenu à trouver un équilibre entre temps de travail et temps libre. Tu as certainement pris le temps de relire les unités précédentes pour combler certaines lacunes. Si ce n'est pas le cas, tu as encore la possibilité de le faire.

Afin de continuer dans la logique du cours, voici une unité très simple à réaliser de la maison. Il s'agit d'une unité sur la maison, et plus précisément sur les échanges de maisons pendant les vacances, une solution de plus en plus populaire et économique. Elle se base sur des connaissances vues les années précédentes et, rassure-toi, pas de grammaire à l'horizon !

Quoi qu'il en soit, je te propose de travailler seul/e sur cette unité (une aide d'un parent ou d'un frère/une sœur est bien sûr toujours la bienvenue !). Prépare les oraux et les écrits sur feuille séparée et nous regarderons ensemble dès notre retour à l'école. Pour les exercices de vocabulaire, je te suggère de vérifier tes réponses à l'aide du correctif joint. Du reste, utilise les outils à ta disposition (dictionnaire papier ou en ligne www.wordreference.com...).

Je reste disponible par mail à l'adresse avds.ist@gmail.com. N'hésite pas si tu as des questions ou besoin de précisions.

Bon travail ! Take care !

Aline Van Der Schueren

UNIT 6 / HOME SWAPPING

Situation et tâche : de nos jours, partir en vacances en hôtel ou en club n'est pas la solution la plus avantageuse. De plus en plus de personnes échangent leur habitation pendant leur période de vacances. Tu voudrais essayer ce concept et c'est pourquoi tu dois rédiger une annonce dans laquelle tu décris ta maison.

It's a spacious house with four bedrooms, a living room, a large kitchen, two bathrooms and a store room. There are breathtaking views of the mountains from all the windows. It has a large balcony, which is ideal for eating outside in the summer. The house has wooden floors, a Jacuzzi, cable television, and Internet.

It's a quiet, safe neighbourhood and the neighbours are very warm and friendly. The house is walking distance from stores and restaurants in the local town and a short drive from areas with excellent skiing and hiking. Rent this nice two-bedroom apartment. It's nicely situated between 43rd Street and 8th Avenue, five minutes from Time Square and most of the theatres, and a fifteen-minute walk from Central Park.

It's a nice 150-square-metre apartment on the 19th floor of a new building. It has two bedrooms, a nice living room with a nice balcony, a nice kitchen and two bathrooms. The flat has very nice windows, so during the day it's very light and at night you have a nice view of downtown Manhattan, especially on the 4th of July when you can see all the fireworks!

The neighbourhood is colourful, and it's nice for people who like eating out or going to the theatre and clubs. There is a subway station on the street and it's a ten-minute walk to Grand Central train station. JFK airport is less than half an hour away by taxi. This apartment is nice for couples. Sorry, no children or pets and definitely no smoking.
