

Bonjour à tous ☺

J'espère que vous allez bien et que la situation actuelle vous permet de vous reposer et de passer de bons moments malgré tout.

Dans tout ça, il faut quand même un peu penser à l'école... Il faut s'entraîner, continuer à progresser et surtout bien garder en tête tout ce que nous avons vu ensemble dernièrement. C'est le moment idéal pour se perfectionner, pour aller au bout des choses dans une (des) partie(s) de matière un peu moins bien comprise(s) ou un peu laissée(s) de côté.

L'objectif est donc uniquement de s'améliorer, pas d'apprendre de nouvelles choses, ni même d'être évalué.

Les exercices qui suivent sont des exercices d'entraînement et de révisions. Il est donc bien sûr autorisé (et même conseillé) d'utiliser le cours, le manuel, les synthèses, les fiches de grammaire, le lexique, etc. et tous les outils qui pourraient vous servir à réaliser cela du mieux possible.

Bon travail ! ☺

- 1 Last month, I went to Scotland by car. We went to the Highlands - it was so cool! We visited Loch Ness and my little brother thought he saw Nessie! I got so scared that Mum had to take him back to the car! Travelling by car was convenient but really tiring for my dad. So next year, I think we'll probably change and go by plane. Dad wants to get more sunshine. And Mum is thinking about visiting Italy. I love Italian food, so I'm not going to complain°!

- 2 Hey there! I'm back from Paris. I spent 4 days there with my parents. It was a birthday surprise for my mum. She loved it! We took the Eurostar - it was super fast! I hope we'll take it again. But I'm not so sure because my dad got so sick that he almost threw up°! Anyway, now that I'm back home, I'm already surfing the web to look up° other Eurostar destinations. My friends told me about Brussels. They said it's a beautiful city. I'm considering going there for New Year's Eve.

I think I will enjoy it. Plus, I'll get to eat authentic Belgian chips. When I was in Paris, I ate French chips every day! A couple of weeks ago I read in a magazine that Belgian chips are even better. I'll let you know what I think when I come back.

- 3 Last summer, I went to a cycling camp in Canterbury. As you can guess°, we did a lot of cycling. It was cool because I was with my friends, but it rained a lot so we got really wet most of the time. We slept in tents. I usually enjoy that but not with so much rain! On the third day, my sleeping bag was so wet that I couldn't use it anymore. Luckily we found an A.S. Adventure store° nearby and I bought a new one. I spent all my pocket money in one day! But I had a good time anyway. And I made 2 new friends, Juliet and Peter. I saw them yesterday and we decided to go on a backpacking trip° during the Easter holiday. We definitely want more sunshine so we're going to visit Italy. We'll probably start by visiting Southern France so I'm reading the Lonely Planet travel guide that my aunt gave me to find out about the most beautiful places to visit there.

- 4 Hello guys! I'm back from the greatest holiday of my life! I left Malaga two days ago and I already want to go back! The hotel was fantastic! I did a lot of sports and went to the beach every day, so I have a beautiful sun tan°. I hope it will last forever! I brought back some sand from the beach as a souvenir for my best friend. She'll probably think I'm crazy but I don't care. I'm seeing her tomorrow. I hope she'll bring her holiday pictures. She went to Brazil for a whole month and she took more than 1000 pictures! I also took a lot of pictures when I was in Spain but I left my camera with my dad. He's going to download the photos onto his computer to show them to Grandma. She's thinking about going to Spain as well. If she decides to book a holiday there, I'll definitely go with her!

° sun tan: *bronzage*

- 5 Good morning, friends! I hope you're doing fine. I'm so happy to be back home. I told you I was going on a cruise, and I was very excited about it and everything... Do you remember? Well, it didn't go as well as I had hoped. On the very first day, I was really thirsty after taking the plane, so when I got onto the cruise ship, I asked for a drink. One of the waiters brought me a juice cocktail. He said it was their speciality. Well, I drank it immediately but I didn't like it so much. In fact, it made me sick. Or that's what I thought. Actually, it wasn't the cocktail... but the sea! I was seasick^o... for the whole week! And I can tell you, I will never set a foot on a boat again! However, this holiday wasn't a complete disaster because I met a wonderful person... who was also seasick! His name is Michael. He's my age and he doesn't live far from my home, so I'm going to see him again. We got on^o very well and had a lot of fun together. He bought me a beautiful necklace on our last day on the cruise ship. I wear it every day. I think I'm in love with him. I hope he feels the same way, too...

° to get on: *s'entendre*
