

Mes chers élèves,

Tout d'abord, j'espère que vous allez bien ainsi que vos proches.

Et oui, malheureusement nous devons encore rester à la maison jusqu'à nouvel ordre des autorités. J'espère que le temps ne vous semble pas trop long et que vous vous occupez de manière constructive (révision scolaire, travail personnel avec vos parents, etc.).

Comme vous le savez, c'est très important de rester chez vous autant que possible afin d'éviter de propager ce vilain virus pour vous-même mais aussi pour les autres.

J'espère que le temps de ne vous semble pas trop long mais comme vous pouvez le constater, on ne vous oublie pas ! ;-)

Vous trouverez ci-dessous, comme d'habitude, des exercices à réaliser.

Je vous souhaite un bon travail et n'hésitez pas à me contacter par mail (voir ci-dessous) si vous aviez des questions . Au plaisir de vous revoir très vite !

**Prenez bien soin de vous et de vos proches !**

## 8) Who is Asya ?

**Search the purple words in the dictionnaire in order to understand correctly the presentation of the girl).** (Recherche les mots en mauve dans le dictionnaire afin de bien comprendre la présentation de la jeune fille).

Hello, I'm Asya. I'm Bulgarian. I'm fourteen. I come from Sofia but I'm studying in an American school in Warsaw in Poland. There are **more than** 20 nationalities in our school. I speak Bulgarian, of course, and Russian, English and Polish. I'm learning German and French at school. I'm in the **ninth** grade.

Every year we organize a Halloween party. We decorate our room and prepare **scary** costumes. My witch costume looks perfect this year: a short black dress with black tights, black socks, a big black hat and other accessories like a **broomstick** and a **pumpkin**. I have got long brown hair. My friend Andy's costume is still in his bedroom. It's so **awful**. It's a vampire costume: a white shirt, a long black cape

and black shoes. Anna doesn't like vampires or witches. She prefers pirates. She always wears **the same** short red, black and white dress with a large black belt, earrings and a black hat. Her hair is always long and blond.

Our school is great. There are a lot of activities in the afternoons. From 3 pm until 5.30 pm we can go to the clubs. **Club offerings** changes each year but this year there are fun activities **such as** dancing, playing games, playing music, playing football, making **jewellery**, and **building** robots. The only thing I don't like in my school is the uniform. A school uniform! That's horrible. **We**

**have to wear it all the time except for** sport. I wear a horrible grey skirt, a white blouse, a blue jacket, white socks and black ballerinas. The boys wear blue, grey or black trousers with a white shirt and a blue jacket. Their shoes are black. No sneakers are allowed! My friends don't like these school uniforms **either**.

During the holidays, we often go to Australia where my grandma lives. Did you know that Australia is **the sixth largest** nation after Russia, Canada, the USA and Brazil but it has a small population? I like this country so much because it's always **sunny** there. My favourite animals live there: the kangaroo and the koala. My grandpa is a wonderful cook. I sometimes prepare dinner with him and I like it. I have got a lot of friends there. We often go to the **beach** together. But I don't like swimming in the ocean because I don't like crocodiles! We sometimes go fishing. We rarely stay at home **unless we want to** play on the computer.

What about you? Who are you? Where do you live? Are you also fourteen? Tell me about your school... Have you got a school uniform? What clothes do you like? What do you usually do during the holidays? What is your favourite Halloween costume?
